Dear Senator Hatch:

On behalf of more than seven million senior citizen activists, the 60 Plus Association thanks you for introducing the joint resolution proposing an amendment to the Constitution of the United States relative to balancing the budget

Thanks to your outstanding leadership, this effort shows a solid commitment to restore the fiscal stability of the United States by balancing the nation's budget.

We applaud your efforts to respond to the overwhelming concern Americans have to the spiraling debt and out-of-control spending and cannot stress strongly enough that senior citizens and soon-to-be-seniors believe that current budget policy cripples our economic stability and threatens our nation's future.

Sincerely,

James L. Martin
Chairman

The 60 Plus Association is a 19-year-old nonpartisan organization working for death tax repeal, saving Social Security, affordable prescription drugs, lowering energy costs and other issues featuring a less government, less taxes approach as well as a strict adherence to the Constitution. 60 Plus calls on support from over 7 million activists. 60 Plus publishes a newsletter, SENIOR VOICE, and a Scorecard, bestowing awards on lawmakers of both parties who vote "pro-senior." 60 Plus has been called, "an increasingly influential senior citizen's group" and since 1992 "the conservative alternative to the AARP."
