The Honorable Orrin Hatch  
United States Senate  
Washington DC 20510

Dear Senator Hatch,  
Congratulations on your appointment to Chair the Senate Republican High Tech Task Force. After many years of working with you on a host of technology issues, your leadership will be a welcome addition to this Task Force. We know that you understand that high tech innovation is key for America's continued economic vitality. Micron is grateful for all you have done for the technology industry and for all you will do as the Chair of the High Tech Task Force. We look forward to working with you.

Sincerely,
